Instructions

1. Score the 4-1/4" x 11" Pear Pizzazz Cardstock at 5-1/2" and burnish with the Bone Folder to make the card base.
2. Run the 4" x 5-1/4" cardstock through the Big Shot with the Basket Weave 3D Embossing Folder. Adhere to the card base.
3. Run both the Pear Pizzazz and Old Olive Cardstock through the Big Shot using the first and second largest Stitched Shapes Square Dies.
4. Intertwine the two frames as shown in the picture. Use the Old Olive remaining square and trim the corners to fit inside the frame. Attach with Mini Glue Dots.

- Stamp the large Daisy from Daisy Delight twice and use Daisy punch to cut two Daisy Flowers. Use adhesive to attach the flowers together offsetting the petals.

- Stamp the sentiment on Whisper White Cardstock and cut with the Stitched Labels Die. Pop up with Stampin' Dimensionals and add to the card.
- Adhere the Whisper White Cardstock on the inside of the card and decorate as desired. Stamp a Daisy on the envelope.
