Project Recipe:

1. Cut Coastal Cabana Cardstock (CS) 4-1/4" x 11" and score at 5-1/2". Cut 2-3/4" off the front flap and save for later.
2. Inside the card, adhere 4" x 5-1/4" So Saffron CS.
3. Using the Stitched Rectangles, cut a frame from Calypso Coral CS using the two largest rectangles. Put a piece of Washi Tape on the two framelits to keep them from moving when running them through the Big Shot. Adhere the frame to the So Saffron layer.

4. Adhere a 2-1/2" x 4" piece of the Follow Your Art Designer Series Paper (DSP) to the front flap on the card.
5. Cut the Coastal Cabana piece you originally cut from the front of the card, down to a smaller size of 2-3/4" x 3-1/2". Put adhesive only on the left side that will attach to the front of the card. You don't want adhesive on the right side so you can open the card.
6. Run a 2-1/2" x 3-1/4" Follow Your Art DSP through the Big Shot with the Button Button Embossing Folder and then adhere to the Coastal Cabana layer.
7. Stamp "We Are Cut Out To Be friends" in Coastal Cabana ink on Whisper White Cardstock. Run through the Big Shot with the third largest Stitched Circle die.
8. Run Silver Glimmer Paper through the Big Shot with the 5th largest scallop circle die in the Layering Circles set.
9. Adhere the stitched circle to the silver scallop circle. Pop up on Stampin' Dimensionals and attach to the middle of the DSP layer.
10. Run a small piece of Calypso Coral through the Big Shot with the Button Button Embossing Folder. Fussy cut a button and add to the front of the card.
11. Stamp the scissors with Versamark on Whisper White cardstock. Sprinkle with Silver embossing powder and heat with the Heat Tool. Color handles with So Saffron Stampin' Blend. Attach to the front of the card with the scissor "cutting" the circle sentiment.
12. Assemble the card as shown in the picture and email me with questions at Beth@Stampingmom.com.
