Oh Christmas Tree!

Supplies needed:

- Toile Tidings Designer Series Paper [150432]
- Star Designer Elements [150430]
- Woodland Embossing Folder [139673]
- Pinewood Planks Dynamic Textured Impressions Embossing Folder [143708]
- Garden Green 8-1/2" X 11" Cardstock [102584]
- Early Espresso 8-1/2" X 11" Cardstock [119686]
- Very Vanilla 8-1/2" X 11" Cardstock [101650]
- Roses Dies [152144]
- Bone Folder [102300]
- Paper Trimmer [152392]

Project Recipe:

	1. Cut Garden Green Cardstock (CS) at 5-1/2" x 8-1/2" and score at 4-1/4".
	2. From the front flap of the card, cut the top part off 3-1/4 x 4-1/4" and set aside for later.
	3. Emboss the remaining front flap with the Pinewood Planks embossing folder.

4. Cut 3-1/4" x 4" Toile Tidings DSP and adhere inside the card near the top. Cut 2" x 4" Very Vanilla CS and adhere near the bottom. Cut decorative corner from Garden Green CS using the Roses Die (if desired) and adhere in the bottom right corner. See the picture showing the inside of the card.

5. Cut 3" x 4" Very Vanilla CS and emboss using the Woodland Embossing Folder.

6. Adhere this Very Vanilla CS to the 3-1/4 x 4-1/4" Garden Green CS that you set aside earlier. Adhere the bottom part to the front flap of the card. Be careful not to put the adhesive too high or your card will be glued shut.

7. Cut 3/4" x 1" Early Espresso CS and run through the Big Shot with the Pinewood Planks Embossing Folder. Adhere near the bottom of the Very Vanilla CS centered for the tree trunk.

8. Cut 1-1/2" square, 2" square, 2-1/2" square, and 3" square out of Toile Tidings DSP. Fold each of the 4 squares as follows: Fold in half and then fold in half the other way. Fold diagonally and then fold diagonally the other way so each square now has 16 sections. Hold as a square and fold side section inward and create a triangle. Fold each side to center line. Tuck largest triangle into next smaller triangle to form tree.

9. Attach tree to the Very Vanilla layer. Add Star Designer Element to the top.

10. Assemble as shown in the pictures and email me with questions at Beth@StampingMom.com
