Project Recipe:

1. Run Poppy Parade CardStock (CS) through the Big Shot with the Curvy Keepsake die. Use a bone folder to help curve the sides of the box.

2. Punch out six Basic Black 1/2" circles and attach with Snail, 3 to each side of the box. Use a smaller punch if you have one. On one of the boxes, I attached five circles on each side punched with a 1/4" punch. Put the box together.

3. Stamp a lady bug on Thick Whisper White CS. I like using Thick CS whenever I color with the Stampin' Blends. Fussy cut or use the dies to cut out the lady bug. I used Light and Dark Poppy Parade, Light Smoky Slate, Light Basic Black and Light Flirty Flamingo Stampin' Blends to color the lady bug. Use a Stampin' Dimensional to attach to the front of the box,

4. Run Whisper White CS through the Big Shot with one of the shape tags from the Mini Curvy Keepsake dies. Stamp a sentiment with Black Momento ink. Attach with Poppy Parade twine from the Country Club Twine Combo Pack.

5. Give this darling box filled with (3) Dove chocolates or other treats, to someone to brighten their day! Please email me Beth@StampingMom.com with questions.
