Project Recipe:

1. Cut 5" x 10-1/2" CS for card base and score at 2-1/2" and 5-1/4".

 <p>Magnolia Fun Fold Card Directions</p>	<p>2. Measure 2-1/2" from each corner and put a dot and also 2-1/2" across the end. See photo for details. Draw a line from the dot on the end to the dots on each side. Do this for both ends. This gives you the lines to cut off all four of the corners.</p>
	<p>3. Cut (2) 3-1/4" x 3-1/4" CS squares. I cut the first one in Pool Party and ran it through the Big Shot with the High Seas 3D embossing folder. I cut the second one in Gorgeous Grape and ran it through with the Eyelet Lace embossing folder.</p>
	<p>4. Cut (2) 2-1/2" x 4-3/4" CS. I cut the first one in Gorgeous Grape and ran through with the Eyelet Lace embossing folder. I cut the second one in Pool Party and ran through with the High Seas 3D embossing folder.</p>
	<p>5. Cut (1) 2-1/2" x 2-1/2" Designer Series Paper (DSP) Cut this piece diagonally so you have two triangles.</p>
	<p>6. Assemble inside of card as shown in the picture. Decorate as desired.</p>
	<p>7. Assemble outside of card as shown in the picture with half the square sticking up with no adhesive on the back.</p>
	<p>8. Send your beautiful card to brighten someone's day and email me with questions at Beth@StampingMom.com</p>
