Project Recipe:

1. Score at 2" and 4" on the short side.

Score at 3" and 5-1/2" on long side.

Put a tick mark at 4-1/4 on top and bottom of long side. Draw a diagonal line to both corners at the top and bottom.

Please see the picture for details.

2. Cut away the four rectangles in the corners.

Fold on diagonal lines.

Punch both ends with the Scalloped Tag Topper Punch.

3. Put Tear & Tape adhesive on both sides and adhere to the front of the box. I put a Lindor Truffle inside. I want the recipient to get to the treat without tearing apart the box, so put a weak adhesive or no adhesive on the back side of the box.

4. Decorate as desired. You can see from the supplies what I used, or watch my YouTube video tutorial for more details. <https://youtu.be/NJv5kw9ulxg>
