Project Recipe:

1. Cut Whisper White Cardstock (CS) at 6" x 8" and score at 3-1/4, 4, 5-3/4, and 6-1/2.
2. Cut Pleased As Punch Designer Series Paper (DSP) at 1-1/2" x 6" (green) and 1-3/4" x 6" (rainbow). Adhere the 1-1/2" x 6" (green) piece to the top and corner round the edges.

3. Starting from the bottom use your bone folder on all the score lines and fold the box forward. Put the King Size Reese's candy inside and form the box around it. Apply Tear & Tape to the top back side and adhere.
4. Adhere the 1-3/4" x 6" DSP (rainbow) to the front of the box.
5. Run a scrap of Blushing Bride CS through the Big Shot with "Happy" and "Easter" from the Word Wishes dies. Adhere it to the green DSP using the Fine Tip Glue Pen. Don't use very much glue and be careful to get the needle in the lid into the opening of the glue bottle so it doesn't get ruined.
6. Stamp the bunny, chick and lamb with Momento Black ink on Whisper White CS. Color with Stampin' Blends as desired. Fussy cut the critters and adhere to the front of the box.
7. Run a scrap of Granny Apple Green CS through with the cat tails die from Friendly Silhouettes. Trim the grass so you can see the sweet little critters as you apply it to the front of the box.
8. Give your Easter Box to someone to brighten their day and email me with questions at Beth@StampingMom.com
