- Stampin' Dimensionals [104430]
- Mini Stampin' Dimensionals [144108]

Project Recipe:

1. Cut Night of Navy Cardstock (CS) at 4-1/4" x 11". Score at 5-1/2" to form card base.
2. Using Tuxedo Momento Black ink, stamp the fish from Fishy Friends on Thick Whisper White CS. Stamp the fish again on the Silicone Mat. Pick up the Silicone Mat and lay it down next to the other fish so they are kissing. This is how you get the mirror image of a stamp. :)

3. Use Aqua Painter and Pool Party ink and paint the water.
4. Color the fish with the Stampin' Blend Pineapple Punch. Color the highlights with the Melon Mambo and Night of Navy Stampin Write markers. Cover the fish with Wink of Stella to make them shimmery. I didn't do this, but wish I did :) Cut this piece out using the Snow Globe die.
5. Cut Melon Mambo with the Stitched Rectangle die. Use the Snow Globe die to cut out the circle. Center this on the card base without adhering and use a pencil to mark where the fishy circle goes. Adhere the fish circle to the card base.
6. Punch out the Lovely Lipstick Foil heart using the Dog Punch. Adhere with a Mini Stampin Dimensional. Sprinkle Microbeads or whatever you want to use for sand on top of the fishy circle.
7. Adhere the Snow Globe Shaker dome over the top of the Fishy circle. Take off top adhesive and slip Melon Mambo Stitched Rectangle over the top.
8. Cut the Snow Globe base from Night of Navy CS. Adhere with Stampin Dimensionals under the Snow Globe.
9. Stamp sentiment with Night of Navy ink on to Whisper White CS. Cut out or punch as desired. Adhere with Stampin' Dimensionals.
10. Add a 4" x 5-1/4" Whisper White CS inside the card. Add sentiment stamped in Night of Navy and add more Lovely Lipstick Foil hearts.
