Project Recipe:

1. Cut Basic Black Cardstock (CS) 4-1/4" x 11". Put left edge of short side of CS at 1" and cut from 4-1/2" down to 10". Move CS over to 3-1/4" and again cut from 4-1/2" down to 10".
2. Turn the CS so long side is at the top. Put left edge at 4-1/2" and using the score blade, score down to 1". Shift left edge of CS over to 9" and score down to 1". Shift the left edge of CS over to 10" and score down to 1". Flip the CS so the other long side is at the top and do this entire step on the other side.
3. Keep the long side of the CS at the top and put the left edge of CS at 5-1/2". Score from 1" down to 3-1/4"

4. Use the Bone Folder on each of the score lines.
5. The Rainbow Glimmer Paper on the center panel is 2-1/4" x 4-1/2".
6. Punch out flowers with the Small Bloom punch. The yellow centers are cut with a 1/4" circle punch. Everything is cut out of the Rainbow Glimmer Paper. Pop centers up on Mini Stampin' Dimensionals.
7. Cut the "thanks" and "friend" out of Rainbow Glimmer Paper using the Well Written dies and adhere to card.
8. Cut 4" x 4-1/4" White CS for inside the card. Decorate inside and envelope as desired.
9. Bless someone with this special thank you card and email me at Beth@Stampingmom.com with questions.
