## Project Recipe:

1. Here are the directions for the basic Vertical Joy Fold card. You can look in the supplies at what I used to make this particular card. I made a FB live video showing many Joy Fold cards.

To make the base card, cut Cardstock (CS) 4-1/4" x 8-1/4" scored at 5-1/2" If you want to put a layer on it is 4" x 5-1/4". The layer on the flap is 2-1/2" x 4". Both of these layers are optional.

2. The smaller inside card is 3-1/4" x 8-1/2" scored at 4-1/4". The layer for outside and inside of this card is 3" x 4".
3. Decorate and embellish however you choose. This picture shows how the card goes together.
4. Send this card to brighten someone's day and email me at [Beth@StampingMom.com](mailto:Beth@StampingMom.com) if you have any questions.
