Project Recipe:

1. Cut Flirty Flamingo Card Stock (CS) at 5-1/2" x 8-1/2" scored at 4-1/4" to form card base.
2. Cut Basic Black CS 3-3/4" x 5" and adhere to center of card base.

3. Cut three coordinating papers from the Flower & Field Designer Series Paper (DSP) each 1-3/8" x 3-1/4". Adhere all three DSP to the Black layer leaving approx. 1/4" border on all sides.
4. Wrap ribbon around Basic Black layer and tie a bow. Secure the bow with a Mini Glue Dot if needed.
5. Stamp "thank you" from the Sweet Ice Cream stamp set with Tuxedo Momento Black ink on Bumblebee CS. Run this through the Stampin Cut & Emboss Machine (SCEM) or Mini SCEM with die from the Tasteful Labels Dies. Also use Tasteful Labels Die to cut the Basic Black die cut and adhere to card front. Pop Up thank you layer on Stampin' Dimensionals.
6. Decorate the inside of the card and envelope as desired. Pop it in the mail to someone you are grateful for. Email me at Beth@StampingMom.com if you have questions or if I can help you with your stamping. Have a blessed day!
