Project Recipe:

1. Cut Night of Navy Cardstock (CS) at 4-1/4" x 5-1/2" for card base. Put left edge of short side at 2-1/8" and score. Put left edge of long side at 1" and cut from 2-1/8" to the bottom. Flip over and put the other left edge of long side at 1" and cut from 2-1/8" to the bottom. The two cut lines you just made are parallel to each other. Put left edge at 2-3/4". Cut from the top down to 2-1/8"

2. Burnish on score line with Bone Folder. Take right front rectangle and flip it under the card so it is at the back of the card and the 1" piece comes to the front of the card.

3. Cut Paper Blooms DSP 3-1/4" wide and 4" long. Be careful of directional DSP to make sure that the way you cut it is how it will be on the card. Put left edge of DSP at 3/4" with the short side at the top and cut down 2". Flip DSP over and put the left edge of DSP at 3/4" and cut from 2" to the bottom. Turn DSP so long side is at the top and left edge is at 2". Cut from 3/4" down to 2-1/2".

4. You will now have two separate pieces cut perfectly to layer on your card base.

5. Adhere DSP to card base.

	<p>6. Run Basic White CS through the Stampin' Cut & Emboss Machine (SCEM) with the third largest Stitched So Sweetly die. Using Blending Brush, blend Rococo Rose ink onto Basic White cut piece. Run all three colors of CS through the SCEM with the flowers and leaves from the Pierced Blooms dies. Layer using Mini Glue Dots and adhere to Stitched So Sweetly layer. Add Pearls to the center of the flowers.</p>
	<p>7. Cut Basic White CS at 1/2" x 3-1/4". Use Blending Brush to add Rococo Rose ink and stamp sentiment from Forever Blossoms with Night of Navy ink. Pop up with Stampin' Dimensionals on a 3/4" x 3-1/2" Night of Navy CS and adhere to card base.</p>
	<p>8. Cut another third largest Stitched So Sweetly from Basic White CS. Adhere to the back of the other one so there is a place to write a note. Decorate envelope and mail to someone to brighten their day. Email me at Beth@StampingMom.com with questions.</p>
