Project Recipe:

1. Cut Just Jade Cardstock (CS) at 4-1/4" x 8-1/4" scored at 2-3/4". Burnish with Bone Folder on score line and fold.
2. Cut Misty Moonlight CS at 4-1/4" x 5-1/2". Run through Stampin' Cut & Emboss Machine (SCEM) with the first, third and fifth largest Stitched Rectangle dies. Adhere the large frame inside the card. Keep the small rectangle for the

front of the card. Throw the large thin scrap away (unless you can use it on another card :)

3. Run Basic White CS scraps through the SCEM with the fifth largest Stitched Rectangle die. Cut (2) of these. Save one for the front of the card. Stamp a butterfly from Beauty Abounds with Misty Moonlight ink on one of the rectangles and adhere centered inside the Misty Moonlight frame on the inside of the card.
4. Cut Butterfly Bijou or other Designer Series Paper (DSP) at 2-1/2" x 4". Adhere to front flap of card.
5. Adhere Misty Moonlight rectangle created in Step 2 to the front of the card being careful to line it up with the Basic White rectangle on the inside of the card. Make sure you only put adhesive on the left side because the right side will be free of adhesive so the card can open.
6. Use Blending Brush and Just Jade ink on Basic White rectangle created in Step 3. Stamp sentiment from Peaceful Moments. Pop this layer up on Stampin' Dimensionals and add to Misty Moonlight rectangle.
7. Run little butterfly dies from Butterfly Beauty through the SCEM with Basic White and Misty Moonlight CS scraps. Use Blending Brush and Misty Moonlight ink on Basic White butterflies. Attach butterflies with a Mini Glue Dot. Add a Basic Pearl to the front and pop up with Mini Stampin' Dimensionals.
8. Decorate the envelope to match the card. Pop the card in the mail to make someone's day. Email me at Beth@StampingMom.com with questions.
