Project Recipe:

1. Cut Magenta Madness Cardstock (CS) at 5-1/2" x 8-1/2" scored at 4-1/4" to form card base.

2. Cut Basic Black CS at 4-1/4" x 5-1/2". Run through Stampin' Cut & Emboss Machine (SCEM) with the largest die from Scalloped Contours Dies. Pop up on Stampin' Dimensionals and add to card base.
3. Run flowers and leaves from the Quiet Meadow Bundle dies through SCEM with Fluid Watercolor Paper. Use Water Painters to color on the Watercolor Paper and let dry. Adhere to black layer using Mini Glue Dots.
4. Stamp sentiment from Sweet Ice Cream or other sentiment of your choice, with Versamark on a scrap of Magenta Madness CS. Sprinkle with Black Embossing Powder and heat with Heat Tool. Run through SCEM with die from Ornate Frames. Pop up on Stampin' Dimensionals and cover stems. You may need to trim a couple of the stems unless you want them sticking out underneath the sentiment.
5. Add Pearl Jewels to the center of some of the flowers.
6. Cut 4-1/4" x 5-1/2" Basic White CS for inside the card. Decorate inside the card and envelope as desired.
