2. Cut 2-5/8" x 5-1/4" Bubble Bath CS and 2-5/8" x 2" Pretty Peacock CS. Adhere the Pretty Peacock to the bottom of the Bubble Bath CS. Run through Stampin' Cut & Emboss Machine (SCEM) with the Online Exclusive Basics Embossing Folder and adhere left edge to card base leaving a border on three sides. Be careful not to get glue on the part of the CS that hangs over.

5. Cut 2-7/8" x 5-1/4" Bubble Bath CS. Layer on 2-5/8" x 5" DSP. Adhere left edge to center section of card base leaving a border on three sides. Be careful not to get glue on the part of the CS that hangs over.
